

# Tax Credit Opportunities

Educational Improvement Tax Credit (EITC) & Opportunity Scholarship Tax Credit (OSTC) at The Bridge Way School

This scholarship gift qualifies you for a 90% tax credit & 100% of your designated contribution goes to Bridge Way students!

By redirecting your state tax dollars to The Bridge Way School through Pennsylvania's Opportunity Scholarship Tax Credit Program (OSTC) and Educational Improvement Tax Credit Program (EITC), individuals and businesses can change the life trajectory of our youth in recovery from substance use and co-occurring mental health disorders. As a tuition-free school, you provide much needed scholarships so all our students in grades 9-12 (ages 14-21) receive the supports they need to increase their recovery capital and engage in a high quality diploma-issuing academic program.

Youth who maintain twelve months of sobriety from all substances are more likely to achieve higher education and economic outcomes.

Your tax dollars can improve a young person's long term quality of life and help break generational trauma cycles in Philadelphia.
